

## Klosterhof

The elegant bench for islands of calm

**The conservative flowing lines of this elegant bench and its inviting seating area make it the ideal furniture for the quiet space in the park or garden. Whether under a tree providing shade or placed beside a small water feature, Klosterhof promises relaxation.**

**Available firmly mounted or freestanding and with varnished fir wood seat slats or larch, locust tree or natural chestnut, Klosterhof can be placed in public parks or private gardens.**

### Design:

- brackets hot-dip galvanised, anthracite powder-coated
- seat slats fir wood, green grey (RAL 7035), lacquered, or natural wood in larch or locust tree

Other length, types of wood or colours on request.

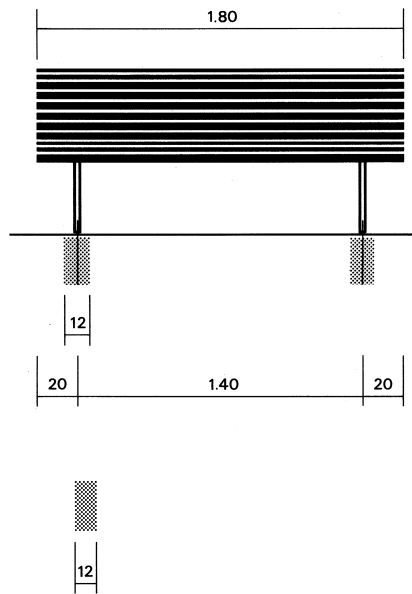

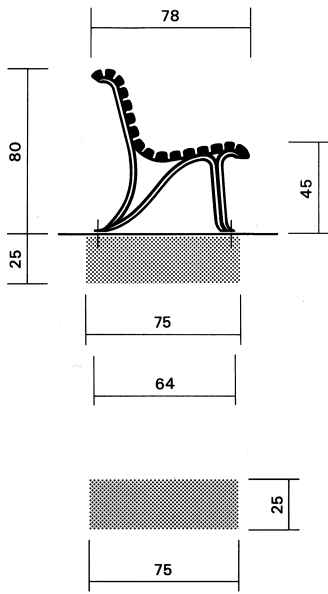

### Mounting

- free-standing
- on area planking secured with anchor bolts
- on concrete foundation to be embedded
